

RULES FOR STAYING WITH A DOG

HOTEL PORT

We've prepared a little dog treat to welcome you, and kindly ask that you observe the following rules:

-  A maximum of 2 dogs are allowed in one room.
-  Always keep your dog on a leash in shared indoor areas (with a muzzle too if it has a livelier character)
-  Do not leave your dog unattended – dogs must always be supervised on hotel premises by the owner
-  In a restaurant always sit with your dog in the front part of the restaurant or on the terrace (off the carpet)
-  Chairs in the restaurant and Komodor bar are not for dogs
-  If your dog stays in the room, mark the room with a tag and arrange cleaning at the hotel reception – cleaning by 1 pm is a daily necessity
-  Be considerate of people with allergies, a dog does not belong in the bed – may be charged
-  The grassy beach near the barbecue area is intended for your dog. Dogs can also swim here
-  For safety reasons, do not take dogs to the grassy or sandy beach near the pool

Thank you in advance and we wish you a pleasant holiday
